

This is a shopping bag
It's a reusable shopping-bag.
Say NO to plastic bags!

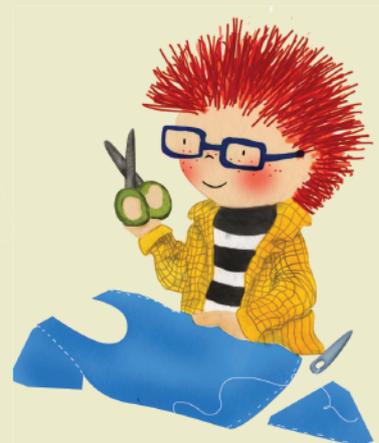

I'm hungry
Do you like fruit?
I like fruit.
Let's go to the greengrocer!

I'm thirsty
Do you like orange juice?

Reusable bag

Turn an old shirt
into a reusable bag in just three steps:
1. Cut off each sleeve
2. Trace a scoop in the neckline. Cut
along that line.
3. Sew across the bottom hem.

Do you really need it?
(Before going to the store)
Make a shopping list!

Find! :

- | | | |
|-----------|-------------|------------------|
| 1 Meat | 7 Cake | 13 Milk |
| 2 Fish | 8 Biscuit | 14 Mineral water |
| 3 Bread | 9 Ice cream | 15 Juice |
| 4 Cheese | 10 Cookie | 16 Soup |
| 5 Chicken | 11 Sugar | 17 Coffee |
| 6 Eggs | 12 Drinks | |

Can you see something that is not listed?
Imagine a meal. Then, select a bin for
each food waste.

Making compost at school

Composting at school is a fun way to learn about nature.

Composting also reduce the amount of organic waste. And finished compost is used in school's grounds.

We want strong and healthy plants and lots of pretty flowers.

Today, Brais is the gardener. He has a compost bin at the bottom of the garden.

Everyday he puts waste from the kitchen in the compost bin.

Look at the pictures. What can I put in the compost bin?

Fish

Vegetable peelings

Metal

Dead plants

Meat

Fruit remains

Cheese

Plant trimmings and flowers"

Glass

What can I put in the green bin?
 And in the yellow bin?
 And in the glass recycling bin?
